

## Idaho and Eastern Oregon Onion Crop Protection Zoom Meeting

Tuesday February 2<sup>nd</sup>, 2021

9am – 12PM

As there is no in-person meeting this year, University of Idaho and Oregon State University researchers are hosting a virtual meeting focused on pests, diseases and weeds of onions. There have been several key crop protection developments over 2020, and this meeting will discuss these over a series of five presentations. 15 minutes have also been set aside for IEOOC annual nominations.

Please register in advance for this meeting by using this link:

<https://uidaho.zoom.us/meeting/register/tZ0sde6trzMpGtQhnXAS1Xbs0D5XLfajvaXW>

After registering (only requires your name and email), you will receive information about joining the meeting on the day. The meeting is free to attend and we have applied for both ISDA and ODA pesticide credits.

### Meeting agenda

- |          |  |
