

Idaho Association of Plant Protection 2018 Annual Meeting

Wednesday, November 7 at 1:00 pm to Thursday, November 8 at 12:00 pm.

At Canyon Crest Dining and Event Center, Twin Falls, Idaho

This is an invitation and call for papers for the 2018 annual meeting of the Idaho Association of Plant Protection in Twin Falls, ID at the Canyon Crest Dining and Event Center. The conference will cover all aspects of plant protection including entomology, nematology, weed science and plant pathology.

Please consider contributing research results, observations, unusual pest and disease occurrences and topics which could be discussed as a group, etc. to the meeting. Each presentation will be allotted at least a 20-minute time slot. A final program will be advertised in October. Registration begins at 12:30 p.m. on Wednesday and the program will begin at 1:00 p.m. Registration costs \$15.00 and can only be made by check or cash. Certified Crop Advisor (CCA) and Pesticide Recertification credits (ISDA) will be available.

Hotel reservations must be made on your own.

Please reply by email or complete and return the bottom half of this sheet. If you are not attending this meeting but would like to be notified of future meetings, please send us your updated contact information. Responses can be sent to:
