

Agricultural Pesticide Applicators Training

The University of Idaho and the Idaho State Department of Agriculture will provide training specific to persons needing a pesticide applicator license in the Private Applicator (RU), Agricultural Herbicide (AH), Agricultural Insecticide/Fungicide (AI), or Statewide consultant (SW) categories. This class includes certification testing. The classes will address basic core competency subjects for applicator certification and specific category information concerning the Agricultural Herbicide and Insecticide/Fungicide examinations.
