IDAHO STATE DEPARTMENT OF AGRICULTURE'S SOUTHWEST IDAHO SPRING PESTICIDE DISPOSAL PROGRAM

Collections scheduled for southwestern Idaho are safe, legal and free

Boise – Southwest Idaho agricultural producers, dealers, applicators and homeowners who are storing unusable pesticides will have a safe, legal and **free** opportunity to dispose of them this May when the Idaho State Department of Agriculture conducts pesticide disposal collections in Nampa and Weiser, Idaho.

Participation is free for the first 1,000 pounds of unusable pesticides per participant. Anyone with unusable herbicides, insecticides, fungicides and rodenticides should bring them to the closest collection site between the hours of 9:00 a.m. and 1:00 p.m. on the date and location listed below (*sorry no fertilizer, micronutrients, paint, solvents or motor oil can be accepted*):

<u>City</u>	<u>Date</u>	<u>Location</u>
NAMPA	MAY 11, 2009	PICKLES BUTTE LANDFILL 15500 Missouri Ave., Nampa, ID
WEISER	MAY 12, 2009	IDAHO DEPARTMENT OF TRANSPORTATION YARD 550 Indian Head Road, Weiser, ID

“These collections provide a mechanism for disposing of pesticides in an environmentally safe and sound manner,” said Victor Mason II, manager of the department’s pesticide disposal and container recycling programs.

Since 1993, the Idaho State Department of Agriculture has safely disposed of 906,894 pounds of unusable pesticides. Pesticides become unusable for many reasons, including loss of potency, exposure to temperature extremes, cancellation or suspension by state or federal authorities, or growers’ decisions to change their cropping rotations or practices.

For more information about the collections, please see our website at: <http://www.agri.idaho.gov>
Or call us at (208) 465-8442 or (208) 332-8605 Boise
