

# ***Pesticide Recertification***

## **SEMINAR**

You're invited to attend the upcoming Treasure Valley Cropping Systems Pests and Pesticide Seminars, where Extension specialists and regulatory experts will provide the latest insights for growers, applicators, and agricultural professionals. Topics will cover timely updates on insect pest management and pesticide regulations relevant to the Treasure Valley region.

**UI Research & Extension**  
**1904 E. Chicago St., Caldwell, ID**  
**Thursday, October 23, 2025**

### **UNDERSTANDING PESTICIDE CHEMISTRY: FROM MODE OF ACTION TO RESISTANCE MANAGEMENT**

✓ Speaker: Dr. Marcelo Dimase  
University of Idaho Extension

🕒 10:00 AM – 11:00 AM

Dr. Marcelo Dimase will provide an overview of pesticide chemistry, focusing on how different active ingredients work, how resistance develops, and what growers and applicators can do to sustain the effectiveness of pesticides. This session will connect practical field decisions with the science behind pesticide use.

### **NAVIGATING PESTICIDE REGULATIONS AND COMPLIANCE IN IDAHO**

✓ Speaker: Blaine Sterling,  
Idaho State Department of Agriculture

🕒 11:00 AM – 12:00 PM

Blaine Sterling will walk participants through key pesticide regulations that impact applicators and growers in Idaho. He will cover licensing, record-keeping, label interpretation, and compliance requirements, ensuring participants leave with clear, practical knowledge to apply in their operations

The University of Idaho is an equal-opportunity employer and educational institution. We offer our programs to persons regardless of race, color, national origin, gender, religion, age, sexual orientation, or disability. Persons with disabilities have the right to request reasonable accommodations. Please complete the accommodations form found at [this link](https://www.uidaho.edu/cals/services/administrative-services/civil-rights) at least two weeks prior to the event: <https://www.uidaho.edu/cals/services/administrative-services/civil-rights>

Individuals with limited English skills must have meaningful access to our programs. If you need this program in a language other than English, contact UI Extension, County at [canyon@uidaho.edu](mailto:canyon@uidaho.edu) at least two weeks prior to the event. If we cannot provide an interpreter, translation services will be provided via Google Translate.

**Cost is FREE**
